Sub: TANSACS, Chennai-8 – World AIDS Day 2012 – 1st December 2012
(Saturday) Observance – Sensitizing – Request to organize Events –
Competitions in Colleges – Intimation - Reg.

The Project Director, Tamil Nadu State Aids Control Society in his letter dated 02.11.2012 has informed as follows:

“Every year 1st December is commemorated as the World AIDS Day. People and communities around the World dedicate the day to activities and events to cherish the memories of those who battled with the disease and to celebrate progress achieved in Global response to HIV. This day brings together people around the world to raise awareness about HIV and AIDS and demonstrate International solidarity in the face of the pandemic. The day is an opportunity for public and private partners to spread awareness about the status of the pandemic and encourage progress in HIV/AIDS prevention, control, treatment and care in high prevalence countries and around the world.

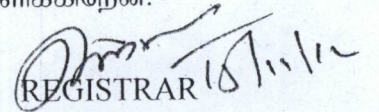

The most vulnerable group is youth in the age group 15 to 30. It is necessary that every individual is a part of this campaign in sensitizing the youth.

2337 Red Ribbon Clubs (RRC's) have been established in Colleges for the purpose of disseminating information about HIV/AIDS among the youth and also to sensitize them about behavioural changes.”

The Management of the Colleges of education are requested to observe the World Aids Day by organizing various events including competitions on the above theme for the students and also requested to participate in the programmes organized by the District Administration and also requested to take the following oath on 1st December 2012.
