3. This office letter No.TNTEU/T/AISHE/Circular/2012/918, dated 10.05.2012

Your attention is drawn to the communication 3rd cited regarding furnishing the details relating to your college in Data Capture Format-II (DCF-II) for the purpose of All India Survey on Higher Education undertaken by the Ministry Human Resource Development and executed by National University of Educational Planning and Administration (NUEPA).

With deep regret it is informed that out of 660 affiliated colleges of this University 134 colleges have not shown interest to fill up the DCF-II. Your college is one among the 134 colleges.

The inaction and lethargic attitude on the part of the colleges would bring bad repute to the University.

You are therefore given a final opportunity to fill up DCF-II and you are hereby directed to appear before the Registrar, Tamil Nadu Teachers Education

University on any one of the days **between 17th July and 18th July 2012 with all details as required in DCF-II.**

To refresh your memory, it is informed that the work has to be completed in the following two stages.

Stage 1: A Nodal Officer has to be nominated by the College. The Nodal Officer has to login in the portal of www.aishe.gov.in and fill in the User Registration Form and submit the same online only.

The Tamil Nadu Teachers Education University will approve the Nodal Officer.

Stage 2: After approval by the University the Nodal Officer using the same id and password has to login in the portal www.aishe.gov.in and download the DCF-II and fill it up offline and click Check Form. If the message "Check Form approved" appears on the screen the DCF-II can be uploaded in the portal of www.aishe.gov.in online.

This may be treated as VERY URGENT and Top Priority may be given to this work as it weighs National Importance. Failure on the part of the affiliated colleges will be viewed seriously.
