I am by direction to inform you that the Principals of Colleges should arrange to conduct special classes by increasing working hours on week days and should also work on all Saturdays up to 25.05.2013 to compensate the shortage of attendance due to the closure of colleges on the eve of recent strike by the students so as to earn requisite attendance of 1080 hours or 180 working days.

I request your kind co-operation for smooth conduct of Examinations on early date.

Yours faithfully,
